

SEAL

The diagram shows a vertical container with a rounded top and bottom. A horizontal line divides the container into two sections. In the upper section, there is a pink rectangular area labeled 'SEAL'. In the lower section, there is another pink rectangular area, also labeled 'SEAL', which is partially obscured by a curved line representing a seal or a flap. The word 'SEAL' is written in a light gray, sans-serif font in the center of each pink area.
